affected.

Works to install a 40 mph buffer zone, speed cushions
and associated works.

ECDC Neighbourhood Planning - confirmed that financial
Support would continue to Neighbourhood Planning Groups.

Weed Spraying Policy - Cambridgeshire County Council:

Letter - F Jordan Director of Place and Sustainability summarised:

In April 2023 the Council changed the cyclic (annual) weed spraying
of road edges, channels and footpaths to a risk-based approach
where only weeds that present a hazard to road users would be
sprayed.

The policy is being assessed and it recognised that the CCC should
have engaged with District and Parish's more effectively. A survey
will be arranged asking for evidence as to the impact.

Letter from Cllr Steve Count - March North

The Conservative Group will present a motion on the 18th October

to reverse this policy, following numerous complaints about the appearance of roads, useability and cost of repair to Highways, with Gullies and drains being blocked by weeds. An increase in Ragwort also poses a danger to horses in the area.

Individuals and Parish Councils are asked to sign a petition the link is - <https://shorturl.at/dkFTZ>.
